

BABYDOLL

WINE OF NEW ZEALAND

PINOT GRIS MARLBOROUGH 2020

It's the little things in life that count and it's the littlest sheep that help make Babydoll wines. Our sustainable collection of wines are pure and intense with plenty of character, just like the Babydoll sheep we named them after.

These tiny sheep keep our vineyards tidy year round because they're too small to reach the grapes. Using one of nature's mowers means our wines are better for the environment and taste better too. Celebrate life's little moments with Babydoll wines.

TASTING NOTE

Dietary Information: Suitable for vegetarians, vegans and a gluten free diet.

Cellaring Recommendation: Enjoy now, or cellar up to 2 years.

VINTAGE SUMMARY

We were incredibly lucky to be able to continue to create these wines during the global pandemic crisis. For this reason, our 2020 wines carry some very unique memories.

The 2020 growing season was very dry, which meant disease pressure was low and some timely light rains kept just enough water flowing in our rivers. We had a classic Marlborough autumn with warm days and cool nights, which created this season's wines with our signature fresh natural acidity and intense fruit flavours.

The resulting Pinot Gris is focused, with lifted aromatics and a beautiful concentrated mouthfeel.

WINEMAKING

Selected parcels of Pinot Gris were individually harvested, de-stemmed and then gently pressed. The juice was cold settled for 48 hours then racked prior to a long cool fermentation in stainless steel tanks to capture and enhance the fruit flavours. Following fermentation the wine was blended, stabilised, and then filtered prior to bottling.
